## 2021 Les Dijonnais Pinot Noir

Carefully tended 28 year old vines in our Biodynamic estate yielded the fruit for our 2021 “Les Dijonnais” Pinot Noir. As the name implies, it is a blend from six of the wine world’s most desirable clones of Pinot Noir, known locally as the “Dijon clones.” Harvested by hand in the September sun, one third of the fruit was fermented on its stems to enhance freshness and aroma.

After a long, slow fermentation the young wine was moved into French oak barrels where it remained for a further 18 months. Barrels exhibiting the most complex flavors and texture were selected for the final blend.

Like many previous vintages from the Dijon block, the 2021 displays black raspberry and rose hip notes, Asian five spice, briar and hints of blood orange on the palate. 2021 is a superior vintage, one of the best of the decade. While the 2021 “Les Dijonnais” is delicious right now it will reward patience after a few years in a cool cellar.
