

BRICK-HOUSE

2022 *Select* Pinot Noir

The *Select* is an estate-grown Pinot Noir derived from the first round of barrel selections. As a snapshot of our vineyard, this wine includes fruit from all of our pinot noir blocks. Approachable in its youth, this wine is intended to be a reliable and versatile offering.

A long, warm summer growing season of 2022 enriched this wine. The fruit was harvested nearly 120 days after the vines flowered - an unusually long time on the vine, contributing length and complexity to the resulting wine. Dominated by red fruit characteristics; bright cranberry, pie cherry and raspberry notes give the wine distinct freshness and complexity, yet it weighs in at just 13.0% alcohol. It's brightness and verve offer a suitable pairing for a full range of foods, from rich red meats to lighter seafood.
